#### **About Us**

Diamond Asia Trading Company (DATCO) was established in the year 2000, Jeddah, Kingdom of Saudi Arabia, as an electro-mechanical contracting company, expert in supply, installation, testing and commissioning of HVAC, electrical, fire protection, plumbing and low voltage network distribution

The integrity, engineering, talent and dedication to the customer's which made DATCO successful in completing the significant number of projects throughout the Kingdom Saudi Arabia and overseas.

We pride ourselves in bringing projects to completion in a professional manner, on time and on budget, while meeting the highest standards.

DATCO Company specializes in superior residential, commercial and industrial electrical projects. Our other specialties include new construction, structured wiring for multiple line phone systems, computer networking, security systems and audio-systems.

DATCO is the premier Facilities Management Service Provider in Saudi Arabia, with a focus on commercial, residential, hospitality, industrial and retail projects. DATCO has the necessary in-house infrastructure and resources to offer world-class service.

DATCO has vision to become a most respected corporate with exemplified professionalism, efficiency and ethical value, creating a highly challenging work environment for enhancing customer satisfaction.

#### **Mission**

The mission of DATCO is to enhance the independent electrical contractor's success by developing a professional workforce, communicating clearly, promoting ethical business practices, and providing leadership for the electrical industry.

Our mission at Diamond Asia Trading Company (DATCO) is to provide to our customers, quality service from quality people, with dedication, knowledge, safety and fairness to all as our esteemed customers.

To provide a level of service that will exceed the expectations of our clients, maintain the highest level of quality and allow our employees the opportunity to grow and prosper. To instill confidence with all parties by professionally managing all aspects of each and every project be it large or small.
